Society for CSF Analysis  
and Clinical Neurochemistry

**Dear colleagues,**

we would like to invite you to our third general meeting of our „Society for CSF analysis and clinical neurochemistry“. Within this meeting we try to cover most recent neurochemical findings in neurodegenerative and inflammatory diseases and also including a session on psychiatric diseases. Technical developments and standardization are also specifically addressed.

In our last meeting in Amsterdam the short oral presentations of selected posters have represented one of the most appreciated feature of our meeting.

Therefore, we further valorized this part of the program by including some slots for longer talks based on abstract selection.

We hope that we could gain your interest and that you will come to Rome.

For the society

Kay Blennow, President

Lucilla Parnetti, Vice President

Charlotte Teunissen, Vice President

Markus Otto, Treasurer

3rd Meeting of the of the Society for CSF analysis and clinical neurochemistry

[www.neurochem.info](http://www.neurochem.info)

**Advisory board:**

Sebastiaan Engelborghs, Sanna-Kaisa Herruka, Sylvain Lehmann, Piotr Lewczuk, Alberto Lleo, Armand Perret Liaudet, Hayrettin Tumani, Martin Turner, Marcel Verbeek, Jens Wiltfang, Henrik Zetterberg

## Preliminary program

### Thursday Mai 7

- 08.30 come together and coffee
- 09.00 **Welcome**, Lucilla Parnetti (Italy)
- 09.15-10.10 **Keynote: From utopia to reality, development of novel blood based biomarkers for various neurological diseases.**  
Charlotte Teunissen (Netherlands)
- Keynote: Biomarkers for trials and therapy response**  
Kaj Blennow (Sweden)
- 10.15-11.15 **Symposium - Neuroinflammatory diseases (e.g. CIPD, GBS, MS, autoimmune encephalitis)**  
**Chairs:** Armand Perret Liaudet (France), Michael Khalil (Austria)
- MS: Brigitte Wildemann (Germany)  
CIPD: Luuk Wieske (Netherlands)  
Talk: based on abstract selection
- 11.15-11.45 **break**
- 11.45-13.00 **Symposium – Movement disorders “Parkinson/Huntington”**  
**Chairs:** Marcel Verbeek, Netherlands, Sanna-Kaisa Herruka, Finland
- Parkinsonian syndromes (DLB, MSA): Dr Gaetani (Italy)  
Huntington: Edward Wild (UK)  
Talk: based on abstract selection
- 13.00-13.30 **lunch**
- 13.30-14.30 **Poster session** (Lucilla Parnetti, Italy, Markus Otto, Germany)
- 14.30-15.45 **Symposium – dementia disorders**  
Focus novel (non-Abeta, ptau, NfL) biomarkers, such as pentraxin, VGF, Ng.  
**Chairs:** Sebastiaan Engelborghs (Belgium), Martin Turner (UK)
- AD: Oskar Hansson (Sweden)  
CJD: Piero Parchi (Italy)  
Talk: based on abstract selection
- 15.45-16.15 **break**
- 16.15-17.30 **Symposium: How to accelerate biomarker development?**  
**Chairs:** Henrik Zetterberg (Sweden), Milica Kramberger (Slovenia)  
MIRIADE - introduction: Eline Willemse (Netherlands)  
Modern approaches in biomarker data analysis for biomarker identification:  
Lisa Vermunt (Netherlands)  
EMA perspective - Implementation and reimbursement: Maria Tome (Spain)  
Discussion: Henrik Zetterberg (Sweden)
- 17.30-18.00 **break**
- 18.00-19.00 **society meeting**, Kaj Blennow, Charlotte Teunissen, Lucilla Parnetti, Markus Otto
- starting from 19.00 Evening program

## Preliminary program

### Friday Mai 8

- 08.30–10.00 **Highlights from poster session + data blitz**  
Lucilla Parnetti (Italy), Markus Otto (Germany)
- 10.00-10.30 **break**
- 10.30-11.45 **Symposium – Psychiatric diseases**  
**Chairs:** Alberto Lleo (Spain), Piotr Lewczuk (Germany)  
Biomarkers in Psychiatric diseases: Jens Wiltfang (Germany)  
Antibodies and Psychiatric diseases, Angela Vincent (UK)  
Talk: based on abstract selection
- 11.45-12.45 **Lunch**
- 12.45-14.00 **Novel technologies**  
Chairs: Jens Kuhle (Switzerland), Koen Poesen (Belgium)  
Scientists presenting (speakers based on abstract and company selection).
- 14.00–14.30 **Keynote**  
**Chairs:** Henrik Zetterberg (Sweden), Silvia Paciotti (Italy)  
Mass Spec: way into clinics? Sylvain Lehmann (France)
- 14.30–14.45 **Closing remarks**  
Lucilla Parnetti (Italy) Kaj Blennow (Sweden)
- 14.45 **farewell**

#### **For more information (registration, hotel suggestions):**

<http://csf2020roma.grupposymposia.it>

#### **Or registration by Email to:**

Martina Hospes: [registration-CSF-society-meeting@neurochem.info](mailto:registration-CSF-society-meeting@neurochem.info)

*early registration until 21st march*

Attendance fee: early 150€ / late 200€ (students)

Attendance fee: early 230€ / late 280€ (non members)

Attendance fee: early 200€ / late 250€ (members)

Attendance fee: early 300€ / late 350€ (company employees)

Please transfer the attendance fee before the meeting

Bank detail:

Account holder: University hospital Ulm

Bank: Sparkasse Ulm

Swift Code: SOLADES1ULM

IBAN: DE16 6305 0000 0000 1064 78

reason for transfer: D.5288 – CSF meeting

**Abstract submission** by e-mail to:
